The American Indian Higher Education Consortium (AIHEC) is the collective spirit and unifying voice of our nation's 37 Tribal Colleges and Universities (TCUs)—a unique community of Tribally and federally chartered institutions working to strengthen Tribal Nations and make a lasting difference in the lives of American Indians and Alaska Natives. Since 1973, AIHEC has served its network of member institutions through public policy, advocacy, research, and program initiatives to ensure strong Tribal sovereignty through excellence in American Indian higher education.

At the 2024 AIHEC Student Conference, each of the 37 AIHEC institutions will be represented by a broad sector of students, faculty, and staff from Tribal Nations across the country. Students will engage in competitions designated to foster strong academic achievements in STEM, history, literature, and the arts. This event brings together future leaders of Indian Country and serves as a national gathering and training ground for Native youth.

Become a sponsor of the AIHEC 2024 Student Conference to show your support of excellence in American Indian higher education. Major conference highlights include an opening ceremony, parade of flags, and awards banquet. Other highlights include the AIHEC Powwow and dynamic keynote addresses each morning of the conference.
